# Arpaïs Du Bois

(Gent, 1973)

Drawer and painter Arpaïs Du Bois' presence at Art Paris (2017 and 2019) and Art Brussels (2017) were eye-catchers, but it is her persistent presence at solo and group exhibitions in galleries and museums such as S.M.A.K., Mu.ZEE and Museum Dr. Guislain, that further expands the influence of this artist.
